# SFEA Outdoor Club

SFEA Good Neighbor Outdoor Club was founded in 1990. The purpose of the club is to encourage the appreciation for the outdoors through simple activities, exploration of natural areas, great adventures, and special educational presentations in addition to having fun with State Farm associates and their families outside the work place. For retirees, these activities provide the opportunity to keep in contact with friends and stay current with what is going on at State Farm.

Typically SFEA Outdoor Club sponsors and organizes one or two events for each month of the year. These events can include activities like: camping, hiking, canoeing, biking, star and meteor shower gazing, special trips, exploration, photo opportunities, cross-country skiing, presentations, etc. Some members have participated in other activities in conjunction with trips organized by our club. See our Calendar on our Outdoor Club's website (http://www.sfea-retiree-club.com/OutdoorClub.php) for Club sponsored event details and to find out what other activities may be available in the community.

Our members are encouraged to keep others in the Outdoor Club aware of activities that are happening in our community or elsewhere that fits well with the purpose of our club as described above. Some members are interested in personal trips of their own and would like to find like-minded folks to join them. For assistance with getting the word out, please email SFEA-OutdoorClub-Officers-HR-HOME.

Also on our website is an Outdoor Events Signup Form for all Outdoor Club sponsored events. Some of the outings listed require reservations. Of these reservations, some are needed several months in advance due to the popularity of the location or the holiday weekend. We highly recommend that you sign up now for all events of interest to avoid missing deadlines and to assist the planning by a volunteer organizer of a specific event.

The membership fee is $5.00 per year (individual or family), paid to SFEA. Participants must provide their own equipment, food, reservation and trip costs. Club funds are used to provide coffee, purchasing equipment that can be used for club activities, and other club-wide event costs.

Please direct questions to Rick Milner (309) 766-7589, Sam Townsend (309) 766-0726, or SFEA Board Member Marie Vose, (309) 766-8112. Please mail this form to Corporate South Activities, L-1.
