

SFEA CHORUS

Do you love to sing? Then step out of the shower and into the SFEA Chorus! The chorus has been entertaining employees, retirees, and the general public since 1995. Each year we perform for several State Farm and public Christmas events, the Illinois Operations Center Veteran's Day observance, Habitat for Humanity benefit, and numerous other occasions.

Though the chorus is occasionally called upon to perform in the summer, it normally is in session only from September through early spring.

The chorus meets every Thursday during performance seasons from 4:30 - 6:00 p.m. in Room JC-01 at Corporate South. There is no enrollment fee. The optimal times to enroll are in late August or early September -- so you can participate in rehearsals and performances for Christmas, and in early January -- so you can participate in the Habitat for Humanity benefit concert in early spring.

All SFEA members and retirees are eligible to enroll, so put your talents to good use and join us today. Please direct questions to Stephan Parry at 309-533-5200; or SFEA Board Member Marie Vose 212-6668.
