

SCRAPS 'N STAMPS

SFEA Scraps 'N Stamps Club is open to anyone with a desire to papercraft or create a personal or family history through the art of scrapbooking and stamping.

The Club Offers:

- *Classes in different techniques
- *Help in deciding what products to buy to keep your memories safe and secure for generations
- *Information on scrapbooking and stamping expos, stores, and events
- *Assistance in developing skills while creating beautiful papercrafts

The Club reserves classrooms at a State Farm facility for informal scrapbooking and stamping gatherings, and for special events throughout the year. The crops provide a dedicated time and place to work on scrapbooking and stamping projects. The Club own a variety of scrapbooking and stamping tools that are available for use during these times.

All crops are free of charge for members and attendance is not required. As a club member, you decide what work best for your schedule. Spouses, retirees, and children (who can stay focused and work on their own) are welcome.

Enrollment is always open. Membership dues are \$5 per calendar year (January 1 - December 31), per family member. If you would like to bring your children, they can either become a member by paying the \$5 fee for the year or pay the \$1 per crop visit fee.

Guests are asked to pay \$1 per crop attended (payable at the crop) and must be added to the security/attendance list.

The fees charged are used to cover the maintenance of current tools, to purchase additional supplies, and for door prizes. Occasionally, classes maybe held during crop time, and there may be a separate fee associated with some of them.

If you have any questions, please contact Scraps 'N Stamps at HOME PA-SFEA-SCRAPS or SFEA Board Member, Ryan Jimison at 622-7687.

Please mail your enrollment and fee to Corporate South Activities on L-1.
