

# **SFEA Tabletop Games Club**

Do you enjoy sitting down and playing games with your family or friends? If so, take a closer look at the Tabletop Games Club. We provide opportunities and information for our members to meet and play with others who enjoy similar styles of games. We cover all types of games: board, computer, card, miniatures and strategy/war games. This club is open to SFEA employees and family members. All players are welcome from beginners to advanced.

Since there are no dues for our club, you are sure to get your money's worth.

Regularly scheduled events:
