

# **SFEA Tabletop Games Club**

Do you enjoy sitting down and playing a game with your family or friends? If so, take a closer look at the Tabletop Games Club. We provide opportunities and information for our members to meet and play with others who enjoy similar styles of games. We cover all types of games: board, computer, card, miniatures and strategy/war games.

This club is open to SFEA employees and family members.

All players are welcome, from beginner to advanced. Since there are no dues for our club, you are sure to get your money's worth.

The club meets frequently over lunches at both Corporate and Corporate South. The club also meets informally in the evenings and on some weekends. If the lunchtime gaming does not fit your schedule, let us know and we can try to connect you to some of the informal gatherings.

Enrollments are accepted throughout the year.

Please direct questions regarding this club to John Peterson (GV3K).

To enroll simply email John Peterson (gv3k) with the following information:

*Subject: SFEA Tabletop Games Club*

*Your name and alias (other information you want to provide would be helpful, but is not required).*
