

Woodworking Club

Are you interested in woodworking or woodcarving?

Regardless of whether you are just getting started or are a professional, this is your opportunity to join others with the same interests.

This club offers the opportunity for woodworkers to share ideas, plans, tool demonstrations and reviews, professional speakers, visits to fellow member's and professional wood shops, as well as opportunities for woodworking classes and charity projects.

The club holds a brown bag lunch meeting the second Wednesday of every month. The meeting begins at 11:45 and goes until 12:30. There is a short business meeting, followed by a program/discussion/sharing topic. If you are not able to attend the meetings we have a wood working forum that you can access to stay involved as well.

The club has some evening or weekend meetings to accommodate additional programs and speakers.

The SFEA Woodworking club welcomes ALL new members.

Enrollments are accepted throughout the year and membership is only \$5.00 per year.

Please direct club questions to Mike Heidrick at 735-4926 or SFEA Board Member Ryan Jimison at 622-7687
