Miles of dazzling light displays, wonderful Christmas shows, unique local crafts and down-home country hospitality, all set in the beautiful Ozark Mountains. It's a recipe for a great holiday treat!

Branson's stunning finale to each year is a breathtaking experience. During the holiday season, Branson undergoes a dramatic transformation and literally becomes illuminated from end to end from the first week of November through the end of December. The Branson Area Festival of Lights offers miles of themed landscape lighting and incredible displays to brighten up the holiday season.

Many of the theaters stage special Christmas shows filled with sparkling music, costumes and scenery.
