SFEA Video Game Club

Attention Gamers

Can you whistle the tune for world 1.2?
Do you know how to survive a Zerg rush?
Can you mute Madden and still hear the game?
Do thoughts of Alliance Raids on Terran Mill keep you up at night?
Do you know the Konami Kode?
Are you a Guitar Hero?

SFEA is starting a new Video Game club . Here is your chance to join it from the beginning! Our aim is to get gamers together to discuss, play, and promote the games we love.

We are looking to sponsor two tournaments per year for fun and prizes.

Meetings will be held monthly at Corporate South during the evenings.

Enrollment fee for this club is $5. Please send your check made out to SFEA to Corporate South Activities L-1.

For additional information, contact Jason Hicks by email @ (limk) or by phone at 763 - 8289.
