

## JUNIOR ACHIEVEMENT IS SEEKING BLOOMINGTON AREA STATE FARM RETIREES

State Farm has had a national partnership with the Junior Achievement (JA) program for many years. Hundreds of active State Farm employees have participated in the program across the nation, teaming up with classroom teachers to provide hands-on experiences to help young people understand the business of life.

McLean County is one of the fastest growing programs in all of Junior Achievement. In fact, because of its growth, McLean County is having problems attracting enough volunteers to meet the demands of local school districts in the upcoming school year.

The local JA President, Larry Timm, has scheduled a meeting for State Farm retirees, and spouses, who would like to learn more about being a JA volunteer. The meeting is scheduled for 10:00 a.m. on Thursday, August 12 in room 123 of the Illinois Operations Center.

If you'd like to attend, it would be helpful if you would RSVP to Larry Phillips (phone: 662 4757 or email: [LJPhillips@Verizon.net](mailto:LJPhillips@Verizon.net)).

Additional information about JA can be found at [www.JuniorAchievement.biz](http://www.JuniorAchievement.biz) or [www.ja.org](http://www.ja.org).

If you're looking for a meaningful volunteer opportunity, this may be it. Check it out!!
