

SFEA Scuba Club

If you're interested in having a great time and being around fun people, the SCUBA Club is the place for you! All SFEA members are welcome—yearly dues are just \$10 for an individual and \$15 for family memberships. Please make checks payable to SFEA. Mail to Corporate South Activities, L-1.

Everyone is welcome whether you're interested in learning about scuba, learning to scuba dive, or you're an experienced diver just wanting to have a great time. The club holds regular meetings throughout the year offering interesting subjects and speakers, offers travel and discounted scuba, first-aid and CPR classes, and publishes a member newsletter several times per year. It maintains an Outlook public folder full of resources and other information. Several club members are instructors and the club offers introductory and specialty classes and regular opportunities to travel locally, nationally and internationally to dive. We offer Scuba Review refreshers for experienced divers, and "Discover SCUBA" events for beginners.

Whether you are interested in learning to dive or you're a seasoned diver, come join in our fun! Please direct any SCUBA Club questions to SFEA-SCUBA-Board-SYS-HOME, or contact Scuba Club Officer Candy Slagel at 763-3921 or SFEA Board Member Michelle Blair at 735-0269
