- Get a glimpse into what State Farm is doing about it.

### PRE-REGISTRATION TO EXPEDITE ENTRY TO BUILDING

In an effort to better facilitate entry into the Oakland Avenue Building on the day of the meeting and to ensure capacity has not been exceeded, a **pre-registration** process is being introduced beginning with our March 14 meeting.

- **Action Needed:** If you plan to attend the quarterly meeting, complete this [SignUpGenius Pre-registration Form](#) as soon as possible to secure your seat. On March 7, the initial list will go to State Farm Security to allow them time to pre-authorize those listed.
- If you determine later you will not be attending, please access the form again to remove your name(s) even if it is after March 7. This will free up your space for others.
- **PLEASE NOTE:** Attendees **MUST** pre-register to be admitted into OAB for the meeting. We will accept late registration or changes up until Monday, March 12. Once the maximum seating capacity of 200 is reached for the OAB Forum Room, the system will not allow any further registrations.
- You will automatically receive a meeting reminder 2 days in advance of the meeting.
- For **SignUpGenius detailed instructions** to sign-up, delete, or update your pre-registration, click [here](#).

**Another change...**Drinks and pastries will no longer be provided at Quarterly Meetings. Refreshments may be purchased in the self-service cafeteria located near the Forum Room. A variety of drinks and snacks are available. **All purchases must be made with a debit or credit card at the self-checkout station.**
