SPEAKER PANEL:

- Mike Howell, District Director, Sales, USA – Allianz Global Assistance
- Laura Sport, Managing Director, Global Marketing – Virtuoso
- Fran Strebing, Deputy Director, Marketing – Central Illinois Regional Airport

PRIMARY TOPICS TO BE ADDRESSED (with Q & A Session to follow):

“Traveling” whether it's within the USA or to exotic international destinations—is an activity enjoyed by most retirees. With that in mind, the May 15 Goldtimers Quarterly Meeting is totally devoted to travel topics.

Tim Davis, well-known local travel professional, will moderate a panel presentation composed of persons with diverse travel expertise. They will cover a wide variety of topics of interest to both experienced travelers and those just beginning to put on their traveling shoes.

The panel will consist of a representative from Allianz Travel Protection Company, Virtuoso (a network of top travel partners including hotels, cruise lines and tour operators) and the Central Illinois Regional Airport.

Attendees will be able to pick up helpful travel literature and be eligible for door prizes (gift cards at local restaurants).

PRE-REGISTRATION TO EXPEDITE ENTRY TO BUILDING

The pre-registration process introduced for our March meeting definitely improved the process of checking people into OAB and allowed us to monitor room capacity numbers. Based on the positive feedback, we have adopted this process for all future quarterly meetings.

- ***Action Needed:** If you plan to attend the quarterly meeting, complete this [SignUpGenius Pre-registration Form](#) as soon as possible to secure your seat. Note: Keep the confirmation email as it provides a direct link to your registration in the event you need to cancel or change it.
- On May 8, the initial list will go to State Farm Security to pre-authorize those listed.
- If you determine later you will not be attending, please access the form again to remove your name(s) even if it is after May 8. This will free up your space for others.

- **PLEASE NOTE:** Attendees **MUST** pre-register to be admitted into OAB for the meeting. We will accept late registration or changes up until Monday, May 14. Once the maximum seating capacity of 200 is reached for the OAB Forum Room, the system will not allow any further registrations.
- You will automatically receive a meeting reminder 2 days in advance of the meeting.
- For **SignUpGenius detailed instructions** to sign-up, delete, or update your registration, click [here](#).

***If you or someone you know have any issues with self-registering, send an email to SfGoldtimerInfo@gmail.com and we will see that you are registered.**

Drinks and pastries are no longer provided at Quarterly Meetings. Refreshments may be purchased in the self-service cafeteria located near the Forum Room. A variety of drinks and snacks are available. **All purchases must be made with a debit or credit card at the self-checkout station.**
