

SFEA Photography Club

The purpose of the SFEA Photography Club is to promote photography through education, events, seminars, and competition. The club is available to all SFEA members. **The club will emphasize digital photography through:**

- Competitions and/or Learning events around a variety of photography topics:
 - Learning your equipment
 - Basic photographic techniques
 - Advanced photographic techniques
 - Digital Darkroom techniques
 - Workshops
 - Seminars
- Club meetings – there are currently two groups: "Back to Basics", and "Experienced". You may attend either or both group meetings.
 - "Back to Basics" focuses on basic camera operation and beginning photography skills.
 - The "Experienced" group tackles more advanced equipment / topics.
- Judged competitions in Color, Black and White, Nature, Photo Journalism, and/or Topic Based themes; participation is voluntary.
- Up to two meetings per month held at a State Farm location.
- Outings to local scenic areas throughout the year (potentially at an additional cost for travel expenses).
- Participation in our on-line photography forum.

The membership fee is \$5 per person for calendar year 2009. For additional information please contact Neal Shah (5-5280) or Marie Vose (SFEA Rep) (6-8112).
