

SFEA Theatre Club

Join over 350 members who love theatre just as much as you! The Theatre Club is celebrating its second decade of organized fun. Since its inception, the club has kept members up to date through the SFEA conference and emails announcing local and regional theatre productions. A monthly calendar of theatrical events is sent to all members through email, with links to more detailed information on our State Farm intranet page.

Club activities have included organization of volunteers for many local theatre projects and members sharing information about their involvement in various productions.

Whether your theatre interest is in performing, helping out back stage, or as a member of the audience, the Theatre Club has something for you.

There is no enrollment fee and current members do not need to re-enroll. New members may enroll at anytime. All SFEA members may enroll. All club information is provided by email, so an email address is required. You can pursue whatever aspect of performing arts interests you in the theatre club.
