

Sports Update for Fall 2018/Winter 2019

The following fall/winter sports leagues will continue to be hosted by SFEA:

- Men's Fall Softball
- CoRec Fall Softball
- Table Tennis

SFEA will coordinate the following leagues for the 2018/2019 season. Starting with the 2019/2020 season these leagues will no longer be coordinated by SFEA. We are investigating community based leagues, and partnership opportunities to continue to offer these venue hosted leagues.

- Women's Volleyball
- Co-Rec Winter Volleyball
- Basketball

The following venue hosted sports leagues **will no longer be coordinated by SFEA.** We are investigating whether there are any leagues in the community that could serve to fill this need. If we are able to partner with other organizations to continue to offer venue hosted leagues, we will post information on the SFEA site as it becomes available.

- Bowling
- Indoor Tennis
- Badminton
- Billiards
- Cricket
