PRE-REGISTRATION

As coronavirus restrictions continue to limit in person Goldtimers meetings, we are pleased to partner with Busey Bank to offer the November financial update as a **webinar** online.

Registration for this event will be through Busey Bank's process and only requires that you type in your first name, last name and email address. An email confirmation will be sent upon completion. The registration can be accessed by clicking on the following link: [Busey Registration for Goldtimers 2020 Financial Update](#).

The audience scope and size has increased substantially with the **webinar** format. We will be able to accommodate a much larger number of attendees.

Goldtimers meetings at The Chateau Hotel & Conference Center, 1621 Jumer Drive, Bloomington will resume in the future when we can safely meet together.
